

Tivimate Playlist Conversion

Tuesday, November 04, 2025 8:55 AM

Allow a few minutes for program guide data to populate after adding playlists.

Remove old playlist

Open Tivimate
Hit back on remote until on the left most panel
Select SETTINGS
Select PLAYLISTS
Click name of current playlist
(Usually, *****.betterflix.org)
Down to bottom and select DELETE PLAYLIST

Add Playlists

Open Tivimate
Hit back on remote until on the left most panel
Select SETTINGS
Select PLAYLISTS
Select ADD PLAYLIST
Select XTREAM CODES
Select SERVER ADDRESS
Enter URL (see table) and click NEXT
Enter Username: (5 lowercase letters)
Enter Password: (5 lowercase letters)
Select/Unselect Options (see table)
Playlist name should show
Select DONE

Repeat for the other two URLs

URL	Notes
tv.betterflix.org	Uncheck - Include VOD
sports.betterflix.org	Uncheck - Include VOD
vod.betterflix.org	Uncheck - Include TV Channels

Under Settings/Playlists:

Select each playlist and change these options:

UPDATE INTERVAL, HOURS - 2

UPDATE ON APP START – Toggle ON (circle slides to right)

*NOTE: Use UPDATE PLAYLIST for immediate update if missing channels in the future

Under Settings/EPG:

UPDATE INTERVAL, HOURS - 4

UPDATE ON PLAYLIST CHANGE - Toggle ON

*NOTE: Use CLEAR EPG, then UPDATE EPG if program guide has issues in the future
